## **15<sup>th</sup> Annual Harvest Sunday!**

*Sunday, August 7, 10:30 a.m.*

The gardens around Winchester have been blessed with early summer rains followed by sunshine. Please share the fruits and vegetables of your harvest so that Lutheran World Relief can continue its mission: "Affirming God's love for all people, we work with Lutherans and partners around the world to end poverty, injustice and human suffering."

**What your gift does:** Our purchases and donations this year will benefit LWR's work in the continuing crisis of Syrian refugees. The violence and total destruction of cities and towns has forced 4.6 million Syrians to seek asylum outside of the country and has displaced 6.6 million, who cannot, for a multitude of reasons, leave Syria. LWR offers cash-for-work community development projects to ease the economic strain on internally displaced Syrians, ships baby, school, and personal care kits for distribution amongst refugees and internally displaced persons, and supports its partner, ACT Alliance, as it provides humanitarian support (quilts, coats and blankets, emergency shelter, and psychosocial support) to fleeing refugees.

**How you can participate:** Bring your garden produce, homemade jams, relishes, baked goods, crafts, jewelry, etc. to Harvest Sunday on August 7. Donations may be dropped off on your way into 9:30 am worship, or left the week before the sale in the Office Meeting Room or tagged in the refrigerator. Then join us after worship under the big white tent to enjoy the fun!

Please contact Julie Shanabrook at 540-535-9379 or [thirdpig1@gmail.com](mailto:thirdpig1@gmail.com) with any questions.

## **Global Missions**

**Tanzania:** We recently received the 2015 annual report from our mission partners at the Arusha Lutheran Medical Center in Tanzania. A team from Bethel visited the construction site in 2008. In 2012 and 2015 other teams visited a busy, vibrant hospital that is similar to our own WMC in many ways. Since opening in 2009, staff has increased from 230 to over 300 employees. The number of patients seen has increased from 56,000 to over 122,000. In addition, ALMC has expanded the “Plaster House” to support children recovering from surgeries, started a nursing school to help resolve a critical shortage of qualified nurses, and recently started reaching out into more rural areas with their own medical mission teams. All of these accomplishments represent a huge improvement in medical care available in East Africa. Bethel has been a great supporter of this and other projects undertaken with Operation Bootstrap Africa. Although ALMC has achieved much, they still face large financial challenges due to a sluggish worldwide economy and the difficulties of working with Tanzania government. If you would like to help please visit [www.bootstrapafrica.org](http://www.bootstrapafrica.org) for more information.

**Guatemala:** From July 9<sup>th</sup>-July 16<sup>th</sup>, nine teenagers from Bethel, led by five adults, visited Antigua Guatemala to spend time with students from Escuela Integrada and their families. During the next several weeks we will be considering ways to build a long-term relationship between the youth of Bethel and the people of Antigua through the school. For pictures and stories of our adventure, please see the blog at [BethelYouthMission2016.blogspot.com](http://BethelYouthMission2016.blogspot.com).

**Philippines:** Just an update on some highlights of the Board Meeting held July 14, 2016:

- Current cash on hand is \$60,000 Plus or over 2.5 Million pesos (\$20,000 is reserved for Capital Improvement).
- 8 local doctors volunteered their time for care of the children including medical consultations, immunizations and treatment
- Two of the 35 children came to CCS undernourished and are being treated
- 8 children were matched through inter-country adoption services
- 82 children have been sponsored for the School Year

Below is a brief resume of the new Executive Director:

Chrisler Go has spent nine years of successful teaching as a professor in social work and civic welfare training service course in several universities in Manila City, Philippines. Trained in social work, he worked actively as a program supervisor of a child welfare agency named Father Simpliciano Foundation Inc. for many years. He even led the organizational management of the agency until granted by a license to operate. Later, he became a consultant of the agency and the social services program of the Franciscan Congregation. He provides both technical assistance and program support.

Chrisler feels proud to have work in a variety of settings for social work practice. He is strongly committed to bring leadership and integrity as the new Executive Director of Concordia Children’s Services.

## Backpack Blessing

Sunday, August 14

Calling all students young and old (and in between). As the school year is fast approaching, we know you have been out shopping for all your school supplies and most importantly. . .the Backpack! Bring your gear with you to worship on Sunday, August 14 and we will bless you, your pack and all those involved in the education of our children. May they have a successful and fun year!

## New Driver Blessing

Sunday, August 14

Do you have a "new" driver in your household? We will be inviting our new drivers and their parents to participate in a brief ceremony on Sunday, August 14 at our worship service to mark this meaningful milestone in their lives and lift them up in prayers as a community of faith.

Please contact **Bryan Jaster** if you plan to participate ([bryan@bethelwinchester.com](mailto:bryan@bethelwinchester.com)).

## Quilt Raffle

The Bethel Quilter's annual raffle will take place August 28-September 4. This is to raise money for supplies for the coming year (including senior quilts). This year's raffle will be a beautiful quilt made by Tracy Grassi. The drawing will be at the Shrimp Boil on September 11.

We need new members for this ministry. Please think about joining us. No experience necessary.

Also we need volunteers to take the quilts to New Windsor, Maryland to the ELCA warehouse sometime in the fall. Only an hour and 1/2 drive. As always, we are grateful for your continued support. In Christ, Pat Blevins
