2016 The Year of Giving

Stewardship Sunday, October 11

A Ministry Fair will be held in Discipleship Hall to celebrate Stewardship Sunday on October 11 between worship services. Displays will exhibit the work and accomplishments of our teams and activities. Council Members, Board Chairs and Team Leaders will be present to discuss and answer questions about the many stewardship opportunities that will be offered in 2016, *The Year of Giving*.

Copies of the 2016 Ministry Opportunities Booklet and Ministry Response Forms will be available for pickup. Adults and students in Grades 9–12 are encouraged to complete a Ministry Response Form, preferably using the link for the online version which will be provided in the October 8 *This Week at Bethel*, or on the Bethel website. If paper forms are preferred, two copies are included in the Ministry Opportunities Booklet and additional forms will be available.

It is requested that all Ministry Response Forms be completed no later than **Sunday, October 25**.

Coffee with Council Update

Fall is here! School is back in session, vacations for most are a fond memory, and at Bethel Sunday School is in full swing and we rejoice in all that God has provided.

In August, council hosted a coffee between services to facilitate communication amongst our family here at Bethel. Thank you for all those that attended and shared with your council your concerns, suggestions and compliments.

Some of the topics discussed were:

UPKEEP OF OUR GROUNDS -- Concern was expressed about the upkeep of our grounds and at the subsequent council meeting we discussed options. Ideally, a team leader with a passion for gardening to lead an effort will present themselves. Do you feel a calling?

MEMORIAL GARDEN -- Work on the memorial garden is progressing as planned and a dedication is scheduled for November 1, All Saints Sunday. The garden is intended for members of the Bethel family, not the general public. Any requests to inter ashes will be directed to the Pastor of Bethel Lutheran Church. Distributing ashes on private property is allowed under Virginia law. Those distributing ashes in the garden will be asked for a donation in the range of \$350.00 to support maintenance. Sufficient funds have been donated to complete the construction and maintain the area for the foreseeable future.

ORGANIST – The Jones fund was established in memory of Larry Jones whose vision it was to maintain a relationship with Shenandoah University and encourage young musicians with a passion for ministering through music. We have been blessed in the past by this relationship and now we have been presented with a great opportunity to continue this ministry with the gifts of Richard Jeric.

JUBILEE – with the expectation that our mortgage principle will be down to under \$400,000 by the start of 2016, plans to roll out a renewed drive, beginning in November, are well under way.

The goal of eliminating the obligation will greatly enhance our ability to have our ministry grow in accordance with God's will. Watch for ways that you can participate in this noble effort.

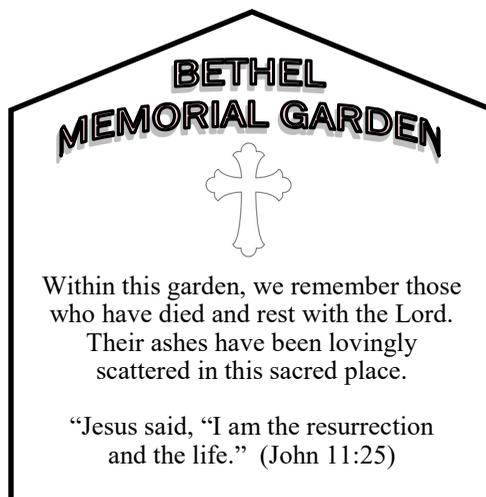

Thank you for sharing in the ministry of Bethel as we seek to grow deeper in faith and wider in love.

In Christ's service,
Tom Beyer, Council President

Memorial Garden Dedication

We will be dedicating our new Memorial Garden on **Sunday, November 1 at 3:00 p.m.** The Memorial Garden is given to be used by those within our Bethel family who desire to return their ashes to the earth. There is a scatter garden and a repository located on the lower level of Bethel Park.

This Garden has been made possible through the generous gifts of Rev. Dr. Conrad and Mrs. Eva Christianson and Dr. Jack and Mrs. Jane McAllister. We are so very thankful as well to Reading Landscaping and John McAllister for their timely and beautiful work.

Council Highlights - September

The September Meeting of the Congregational Council of Bethel Lutheran Church was held on September 9, 2015 in the Council Room at the Church. Pastor David Young, President Tom Beyer, Vice President Karla King, Treasurer Traci Shoberg, Secretary Bruce Lothrop, Tom Milburn, Julie Shanabrook, and Cory Carlson were present at the meeting.

Treasurer's report

Income was strong in August, exceeding the Ministry Spending plan by about \$4,000.00. Expenses were about \$3,000 less than expected. Income exceeded expenses by about \$7,000. Year to date income is behind spending by about \$27,000. According to the Ministry Spending Plan, income should be about \$15,000 behind spending by this point in the year (as the strongest giving typically occurs at the end of the calendar year.) The difference between year to date income and spending is about \$12,500 less than expected. Strong giving throughout the fall remains important.

Kim Williams will send notes to Board Chairs that are over or near their annual budgets and ask that they restrain spending where possible.

Pastors Report

Pastor Dave distributed a written report at the meeting. Highlights included:

- Regular visits and phone calls to those in need of Pastoral care.
- A First communion class for 8 students, with a first communion ceremony on August 30.
- Continued service as a "call liaison" to four congregations in the area.
- Leading a new "Inquires' Class" for those interested in joining Bethel.
- Planning has started for a 2017 trip to Germany to celebrate the 500th anniversary of the reformation.

Landscaping issues

Upkeep of landscaping around the church has been lacking in recent years. Council will request that Cliff Crowder solicit proposals for routine maintenance of existing landscaping beyond just mowing.

Free and Clean in 2016

A kick off of 2016 Jubilee push will be held on September 20 at 5pm.

Congregational Meeting

The Congregational meeting will be held on Sunday, November 8, between services. Council will discuss nominees for the 2016 year in October.

Bethel Park Update

Memorial Trees will be available for fall planting. Dedication of the Memorial Garden will be announced. The proposal to clear trees behind the Labyrinth has been withdrawn.

Organist Proposal Follow Up

The worship ensemble has been working with a organist who is a graduate student at Shenandoah University. After lengthy discussion and consideration of written comments submitted by Darlene DeMott, Council agreed that paying Mr. Jeric through the Jones Music Fund would be appropriate.

A Motion was made to support Richard Jeric, DFA student at Shenandoah University as an "Artist in Residence", paid through the Jones Music fund through December 2016. The motion passed unanimously.

Closing Prayer

The meeting was closed with a prayer, and adjourned at about 9:15.

Submitted,
Bruce Lothrop, Secretary

Help support our former Bethel Youth Director, Jon Coughlin’s ministry Care Corps!

Here’s an appeal from Jon:

Care Corps International (www.carecorpsint.org) works with families who have experienced terrible tragedies and are now dealing with PTSD in the Middle East, Africa or urban centers here in the USA. Our goal is to equip and mobilize people to be agents of emotional and spiritual healing.

So, here's your invitation. There are two things I'd like you to consider doing.

1) Sign up for my newsletter so that you can pray for me and the people I'm working with. You can do that here:

<http://eepurl.com/bkroO5>

2) I need 100 of my friends to give financially toward this work. I need to raise \$7000 in the next 5 months. So I'm looking for partners to give \$14 per month for the next 5 months (\$70 total). You can do that here

<http://www.carecorpsint.org/jon-coughlin/>.

If you can't or don't want to, no worries, but please do sign up for the newsletter because I really am desperate for prayer more than anything else. There is a great short video on our website that gives a glimpse into what we do.

Global Missions

This month, the 17th Form 4 class will graduate from the MaaSAE Girls Lutheran Secondary School in Arusha, Tanzania. Following graduation, the Form 4 class will spend several weeks preparing for national exams. Based on the results, some will qualify for Forms 5 and 6 at MGLSS, while others will go on to vocational programs. Those that complete Form 6 may be eligible for University programs. That is a huge accomplishment, given that nearly all the girls come from rural families that live with no running water, electricity, or vehicles.

Please keep the girls of MGLSS, and all our other mission partners in your prayers, and consider helping to meet their needs as we kick off "Bethel's Global Christmas" in the season of Advent.

Faith In Action in Critical Need of Volunteer Drivers

As you may know, Faith In Action is a non-profit that provides free transportation to/from medical appointments for those with no other means of transportation. A corps of volunteer drivers (with training and orientation to FIA service protocols) serve area residents who are registered clients of Faith In Action. Priority is given to those in need of life-saving services such as dialysis and chemotherapy. There is no minimum requirement of hours or mileage; even one-way rides help the schedule tremendously.

Weekly Devotions

Did you know that Bethel offers weekly devotions for you and your family?

Bethel offers a weekly devotional called "Church Where You Are" on our website:

www.bethelwinchester.com

The devotion makes use of our "Faith Five" ministry (Share, Read, Talk, Pray, Bless).

Each week, the devotion will offer something you can use with your family, on your own, with friends. It will use the Gospel lesson for the upcoming week so as to guide you toward what will be discussed on Sunday.

There will be a musical component as well, with a Youtube music video to set the tone for the lesson and discussion.

To access the devotions, go to the Bethel website and simply click on the "Church Where You Are" tab.

On behalf of the Salvation Army, I would like to take this opportunity to thank you for your generous contribution of \$500 from your annual yard sale.

The Salvation Army uses all donations to assist the needy residents of Winchester, Frederick and Clarke counties. Your gift was one of thoughtfulness and of service to those less fortunate. This gift will be used to carry out our mission of serving the needs of our community.

Sincerely,

Captain David Lorenzo

Well, it is that time of year again to wax the tile floors. The floors in the Narthex, Hallways, and Global Missions Hall are waxed and finished. Mark Hoyle graciously volunteered his time and equipment to clean and wax floors. He used equipment that he designed himself and, in fact, got a patent on the scrubber that we used that day.

We are so fortunate to have such gifted people in our congregation. Thank you Mark for all your help.
